Love, God's Way of Transforming Our Lives

On January 14, we celebrated Epiphany communion, postponed from January 7 due to a snowstorm that caused travel concerns. At our Epiphany celebration, Rev. Dr. Betsy Miller provided a wonderful message titled "Being Light, Being Witness." In her message, Rev. Betsy told us to 'be a light and a witness to others', using the life of recently deceased Rt. Rev. Hopeton Clennon as a prime example of someone given that gift from God. Acts 13:47 describes how we should use our light to shine and be a witness, *"For this is what the Lord has commanded us: I have made you a light for the Gentiles, that you may bring salvation to the ends of the earth."*

Starting on February 14, we celebrate Ash Wednesday that begins the season of Lent. February 14 is also Valentine's Day, the day when we are supposed to declare our love and admiration for our loved ones. How ironic it is that we will celebrate the love for someone at the same time we begin our journey with Jesus; traveling 40 days that ends with his triumphant ride into Jerusalem on Palm Sunday, his cruel crucifixion and death on Good Friday and his glorious resurrection on Easter Sunday. How can we 'be a light' to those we love at the same time while we begin a season of self-reflection to rededicate our lives to God?

The common theme between Valentine's Day and Ash Wednesday, start of Lent is love, love for God and love for one another. Matthew 22:37-38 plainly states the love we need to have for God; *"Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment."* The very next verse, 39, explains the love we should have for one another; *"Love your neighbor as yourself."* How well do you and I use these verses in our everyday lives? The world today has become so self-centered that we have forgotten how to show love to the person next to us in the grocery store checkout line, at the gas pump, or even speaking to a customer service representative when reporting a problem. We tend to express our love to those close to us but forget about those that really need to be shown love! It's easy on Valentine's Day because we are reminded (WELL before Christmas!) to show our love to your 'special someone'. What about showing love outside of this card-frenzy, gift-laden day?

How do we change our behavior to show love to everyone? Let us start our season of Lent using God's request in John 15:17, *"This is my command: Love one another."* What a perfect opportunity to begin a time of self-reflection, looking into our own lives through daily devotion and Bible study to change our attitude toward others. Will this be an easy request...absolutely not! Lent is a time when we, as an act of self-denial, can 'give up something', whether it be alcohol, sugary snacks, meat or anything else that may hinder you from listening to what God has in mind for your life. Use the season of Lent to open your heart and mind to seeing and experiencing the love that surrounds you. Take that love and share it with others, not just on Valentine's Day, but every day. According to Proverbs 18:16 *"A gift opens the way for the giver and ushers us into the presence of the great."* Give your gift of love to everyone you meet, being the light and witness, and I believe you will be blessed with what you receive!

Blessings of peace and joy,

all your heart and with all your
soul and with all your mind."
Jesus, Matt 22:37**

Worship the Lord with Us!

During worship throughout the month of February, we will continue celebrating the season of Epiphany. Epiphany means “revelation,” and during this season we remember how Jesus revealed to all people, not just to the Jews, how they can have a relationship with God. The way to that relationship is by believing that Jesus is Lord and believing in the sacrifice for our sins that He offered on the cross (Romans 10:9). Jesus shined His light on all people so that all might experience the assurance and joy of knowing Him as Lord.

Also during this month, we will begin the season of Lent. Lent is a time of repentance and turning back to the Lord for the six weeks leading up to the celebration of Resurrection Sunday, Easter. This season of introspection offers us a chance to recognize in which areas of our lives we have fallen away from the Lord, and as we recognize them, to turn back in the right direction. It is also a chance for us to renounce some comforts for a time so that we might more clearly realize what Jesus went through to pay the price for our sin.

ELDERS DEVOTION

Romans 5:3-5, "And not only that, but we also boast in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not disappoint us, because God's love has been poured into our hearts through the Holy Spirit that has been given to us."

For many years, a little slip of paper has been posted on the refrigerator in our kitchen. It is tattered, faded, and has a stain on it where water was spilled. I don't remember where it came from but the words on it always spoke to me in a good way. In today's world where there is so much suffering and turmoil, we can only wonder why. Why do such devastating things happen to so many people? Why are there wars, virulent diseases, catastrophic natural events, and why are some people's hearts filled with so much hate? God explains the reason for sufferings in these verses from Romans. There is always HOPE!

The words on the little slip of paper are:

- Happy moments, praise God.
- Difficult moments, seek God.
- Quiet moments, worship God.
- Painful moments, trust God.
- Every moment, thank God.

We need to remember to thank God in good times or bad times. It is easy to thank God when things are going well and the way we think they should. But we also need to thank God for the more difficult times – the sufferings – because they make us stronger and increase our faith. What would we hope for if everything was always perfect? Stars can't shine without the darkness.

Blessings from your sister in Christ,

Sunday School for 2024 did not get to start meeting until January 14, 2024 due to the snow storm that came overnight into that Sunday. All classes resumed studying the curriculum that was on pause during the Advent season.

The CEM did not hold their meeting on Tuesday, January 16th, because of again inclement weather conditions. We will be meeting on Tuesday, January 23rd at 6:30PM. So, with that said, there are no finalized plans to report for our Birthday Social or Easter Morning Activity between services during the Sunday School hour.

The Birthday Social will be held immediately after the 10:30am worship service on Sunday, February 25th. Please be on the look out for sign-up sheets on the CEM bulletin board at the end of the hallway near the water fountain, and information on the activities to be held, after the CEM holds their next meeting on January 23rd and final plans are made.

Keep warm!

MORAVIAN MISSION CORNER

Essentials Café

A pay-what-you-can community café in West Bethlehem.

Led by seven local Moravian women, newly-opened Essentials Café is a place of equality where everyone can meet, feel welcome, and enjoy a delicious and healthy meal regardless of their ability to pay. There's a menu, but no prices.

Essentials Café is the first known pay-what-you-can café in the Lehigh Valley. It was inspired by Tricklebee Café, a Moravian ministry in Milwaukee, and is part of the nationwide organization "One World Everybody Eats."

Patrons at the café donate what they can – if they can – to eat breakfast and lunch meals together in a warm and hospitable environment. Volunteers work together to find, grow, cook, and serve food in a welcoming way. The idea is to alleviate food insecurity in the Lehigh Valley and to provide a place where friendships and understanding can flourish across all socio-economic groups.

Our own Schoeneck member and professional chef, Kim Samsel, leads the Essentials Café kitchen and menu planning. Kim works with seasonal ingredients, maximizes available food to reduce food waste and packs in as much nutrition as possible to the tasty menu offerings. Sample menu items include deep dish French toast bake with berry medley and savory western omelet bake, plus there are homemade soups, sandwiches and build-a-salad bowls. All food is made from scratch, including the sauces and dressings.

Essentials Café depends on the contributions of groups and volunteers from the community, including members of area Moravian churches, and relies on donations to operate.

Interested in volunteering? Essentials Café needs servers, dish washers and help in advance with food preparation. Register online at essentialscafe.org/signup. Contact Dawn Fenner, Essentials Café program director, with any questions.

What is the cause of the leap year?
The intercalary* day that usually occurs every four years is called the leap day and is created by adding an extra day to February. This day is added to the calendar in leap years as a corrective measure because the Earth does not orbit the Sun in precisely 365 days.

*Intercalary means having a day or month inserted to make the calendar year correspond to the solar year.

In the spirit of collective commitment and thoughtful generosity, Moravians across America are gearing up for the fourth annual Moravian Day of Giving on February 13th, a day that transcends individual contributions to make a combined impact.

The Moravian Day of Giving is an opportunity for Moravians to make unexpected gifts above and beyond their regular tithe or pledge. On this day, individuals are encouraged to utilize the Moravian Ministries Foundation in America (MMFA)'s online Giving Portal to contribute to their church, Moravian agencies, or ministries that ignite passion and resonate with their values.

On previous Days of Giving, Schoeneck asked for contributions to the Organ Restoration fund or to the Schoeneck congregation. While we certainly will accept any gifts from this day, this year we encourage you to think about expanding your giving outside of our congregation. You can give to Esperanza, Camp Hope, Moravian Open Door, Essentials Café, or any other Moravian organization or ministry that you wish.

If you are undecided where to make a donation, MMFA suggests you consider a gift to a Field of Interest (FOI) Fund. These funds award grants to Moravian congregations and organizations for ministry projects in eight areas:

- | | |
|---|---------------------------|
| Hunger & Thirst | Clothing |
| Housing & Shelter | Healing & Health |
| Prison Ministry | Environmental Stewardship |
| Racial Awareness Equity, & Reconciliation | |
| Prevention of Violence Against Women | |

In honor of MMFA's 25th anniversary, they challenge everyone to donate at least \$25 to one of the FOI funds to help unlock matching contributions of \$2,500 for each of the 8 FOI funds.

Additionally, MMFA will grant \$2,500 to the 5 Moravian organizations (churches, agencies, camps, etc.) with the most unique individual donors. "Unique individual donors" refers to the number of distinct individuals who donate on the Moravian Day of Giving. Each donor is counted only once, regardless of the number of times they contribute or the amount of their contributions. However, if a donor contributes to both their home congregation and a Moravian agency on the Moravian Giving Portal, that person will be counted as one donor for BOTH organizations. Donors are able to donate to more than one organization with one transaction.

How to Participate: · Make a Donation: Visit the Moravian Giving Portal to contribute to your congregation, ministry, or organization on Tuesday, February 13th.

- Support Field of Interest Funds: Contribute to the Field of Interest Funds, so that we can reach the matching contribution of \$2,500 for each fund!
- Spread the Spirit on Social Media: Use #IGiveMoravian to share your reasons for giving and inspire others to join the day of generosity.

For more information or with any questions, contact Sue Dreydoppel.

Give. Unite. Inspire.

From the Trustees: Envelopes:

You may have noticed a change in the monthly yellow envelope for Provincial Administration. The suggested amount was increased for 2024 to \$20 per individual and \$40 per couple each month. The money you give in this envelope is designated for Schoeneck's share of Common Ministries to the Northern Province. This helps pay for the Provincial and District staff, including those who are helping Schoeneck in the call process; for recruiting and training future pastors; for your subscription to The Moravian magazine, along with preparing other publications, the Daily Texts, and Moravian websites; for support to the Board of World Mission, Moravian Music Foundation, the Moravian Archives.

The recommended monthly contribution is only a part of what the congregation pays each year to these causes, but this envelope is a way for everyone to have a share.

The line on each weekly envelope for "Wider Ministry" helps pay for Schoeneck's share in Eastern District operations, as well as the pastor's medical insurance and pension. While we are without a pastor, we still pay into the Province's medical insurance program each month. That amount will not change when we get a pastor. We are not paying pension now, but we will once a new pastor begins.

We hope that each giving unit in the congregation will take advantage of these opportunities to share in these costs of operating our congregation.

A Gift for the Congregation

The musicians of Schoeneck, past and present, are presenting one additional rank of pipes for the organ as a gift to the congregation, in honor of our Director of Music, Ryan Morrow, and his going-on-thirteen years at Schoeneck. Although Ryan knew about the additional rank, he was not aware that it was in his honor until Christmas Eve, when the musicians informed him.

How did this happen? As the organ was being repaired and refurbished, there was room for one more rank of pipes to be added to the console. At the same time, Brunner & Associates had a set of 32 pipes in need of a good home. They offered to give us the pipes (wow!), if Schoeneck would pay for the cleaning, wiring and installation, a cost of around \$12,500. Schoeneck musicians have donated the entire amount, to the glory of God and in honor of Ryan.

The new pipes are a Leiblich Flute 16-foot pedal rank. They are played by the organ pedals, and will provide a softer low sound than what we have now, complementing the other pedal pipes. They are installed in the balcony in two rows outside of the existing pipe chamber, on the north (clock) side. As soon as they are fully installed, and Ryan has a chance to choose some music to show them off, the new stop will be dedicated and Ryan will demonstrate it to the congregation.

Merry belated Christmas, congregation, from your musicians!

THANK YOU

I would like to thank the congregation and Board of Trustees for the monetary gift received at Christmas. I love doing financial work and I'm blessed to be able to utilize this gift and serve God in this way. Thank you again.

Brenda Makovetz, treasurer

To the congregation of Schoeneck Moravian Church:

Thank you for your generous contributions to Moravian Open Door. These gifts, along with others, enables MOD to continue its service to older homeless individuals by providing transitional housing, breakfast and nutrition education, counseling, and other direct services to restore dignity and re-building lives.

MOD is a community that rejoices when a resident is finally able to move to a private apartment or other appropriate accommodation, no longer homeless.

Your generosity keeps the mission and vision of MOD alive.

Dear Schoeneck Congregation,

Thank you for thinking of me over the Christmas season with the monetary gifts, Christmas ornaments, yummy baked goods and holiday wishes. It was really thoughtful of you and made my holiday special.

Also, I would like to thank everyone for their support and for providing me with the necessary information in a timely manner, which gave me the opportunity to organize, assemble, and print the Church Annual Report ahead of schedule.
